

## **clubgolf – Gleneagles Wee Course Offer 2010**

Tee times have been reserved on the Wee Course at Gleneagles on the dates shown below in 2010. Clubs participating in *clubgolf* in 2010 can reserve a date free of charge.

This offer has proved extremely popular in the past and allows your club to organise an outing that will give your *clubgolf* children a taste of the “Gleneagles experience”. Book early to avoid disappointment.

In all cases groups should arrive at 10am and make their way to the Golf Academy where children can practice before their round begins. The maximum group size is 12 and three tee times are provided. Groups of children are expected to be accompanied by at least two adults.

**\*\*\* On some dates coaching at the Golf Academy is also included. \*\*\***
